EXPERIENCE

Harbinger Motors Inc. – *Incoming Logistics Intern*

Garden Grove, CA May 2025 - September 2025

- Will be aiding the operations, supply chain and inventory management through the logistics branch
- Harbinger Motors is 4 years old and is a vertical approach manufacturer of electric chassis for medium duty trucks

Hardner & Gullison Associates – *Associate Consultant*

Remote June 2024 - August 2024

- Researched and presented to executives on corporate client projects, including assessing the environmental sustainability and operations of the grain producer supply chain in Ethiopia recommending changes to optimize processes. And advising on the economic and environmental impacts of the Green Hydrogen Project in Namibia
- Designed and implemented an environmental standards database to streamline the process for evaluating environmental certifications based on the IFC standards. The database is still in use today.
- Independently worked on client research assignments, met deadlines, and developed my written and oral professional communication skills

Oakland Parks and Recreation – *Asst. Regional Manager*

Oakland, CA May 2021 – August 2021

- Led a team of seven to create weekly activity schedules, both engaging and educational
- Coordinated directly with parents for daily logistics and communicating information about their children
- Established/organized/trained our location's first little league softball team, went on to win the Oakland Parks Department Championship!

Cobra Cleaning – *Co-Founder*

Oakland, CA May 2019 - May 2021

- Founded a car wash business which generated over \$14,000 in revenue in the first three months
- Developed ads, scheduled appointments, and networked with clients and neighbors to increase our client base
- Managed employee schedules and handled salary administration and business costs to ensure business profitability
